

Paver's On the Patio

Make a lasting impact and contribution to Mercy House by purchasing a 6X9 outdoor paver. This is a great way to memorialize* or honor a loved one or show your support for Mercy House’s mission.

The pavers will be installed in our outdoor seating area where Residents and their families can appreciate your dedication. Each paver is 6 X 9 and can be engraved with 3 lines of 14 spaces (letters, punctuation marks, spaces).

The cost is \$50 per paver.

If you have any questions, please call Mercy House at (607) 321-1857.
